

2nd annual symposium on

EQUITY IN THE JOB SEARCH

Tools to Successfully Navigate
the Job Search & Promote
Gender Equity in STEM

FEBRUARY 2, 2018

Luce Hall Auditorium, Room 101

WHO'S INVITED?

*Graduate students, postdocs, professors,
& research staff/scientists of all genders who want to learn:*

- How to navigate the **academic and non-academic job search**
- Tools for successful self-promotion and **salary negotiation**
- How to seek and provide effective **mentorship** during the job search process
- How **gender bias** impacts the STEM fields and the job search
- How to promote **diversity and inclusion** in labs & workplaces
